SUMMARY

On September 20, 2005, the City Council adopted Resolution No. 79474 CMS (Attachment A) to accept the budget approved by the Oakland Workforce Investment Board (WIB) on June 23, 2005 (Attachment B), with the exception of $575,000 to support the Oakland Private Industry Council’s (PIC) One Stop Career Center Operations. As part of its action, the City Council expressed its desire that $575,000 be put out to competitive bid, specifically to serve formerly incarcerated clients. The City Attorney issued an opinion which concluded that, under the Workforce Investment Act and the City Charter, the Mayor, the City Council and the Oakland WIB must all agree on such budgetary matters. Recently, a proposal supported by the Mayor was advanced to the Oakland Workforce Investment Board (WIB) Chairman that offered to restore the $575,000 to the Oakland WIB’s 2005-2006 budget and requested that for FY 2006-2007 the WIB set aside $375,000 from the Oakland Private Industry Council’s One Stop Career Center allocation for a competitive bidding process to provide services for formerly incarcerated individuals and young adults transitioning from foster care. The Oakland WIB adopted a motion on May 18, 2006 to accept the proposal to set aside the $375,000 for the purposes requested, but with a request for the right to evaluate from where the funds should come. In addition, staff will present a Supplemental Report on the Oakland WIB Executive Committee’s Fiscal Year 2006-2007 budget, as approved during its June 8, 2006 meeting, for the Committee’s input and action.

FISCAL IMPACT

The $575,000 will be allocated from the Workforce Investment Act Fund (2195), CEDA Workforce Development Organization (88549), and in WIA-Workforce Unit Project (G207710). There is no impact on the General Fund.
BACKGROUND

Resolution No. 79474 authorized the allocation of all funds contained in the budget approved by the Oakland Workforce Investment Board for Fiscal Year 2005-2006, minus $575,000 for the Oakland Private Industry Council's One Stop Career Center operations. Following an opinion issued by the City Attorney regarding the authority of the Mayor, City Council and Workforce Investment Board on Workforce Investment Act fund budgetary issues, the City Council revised its July 2005 action on this matter in September 2005 and directed that the $575,000 be put out to competitive bid to provide services for formerly incarcerated clients, rather than targeting the funds to two specific organizations. The City Attorney opinion stated that the City Council, Mayor and WIB must agree on such budgetary matters. The WIB did not approve the City Council's action, which caused an impasse regarding the $575,000. On September 30, 2005, the City Administrator forwarded a letter to the Oakland Private Industry Council, instructing it to adjust its budget to take into account the absence of $575,000 (Attachment C), and opined that the Oakland PIC must adjust both its System Administration and One Stop Career Center budgets to spread the impact of the reduced funding.

KEY ISSUES AND IMPACTS

On May 18, 2006, the Oakland WIB adopted a motion to accept a proposal from the Mayor and City Council leadership that would release the $575,000 in question for use as budgeted by the WIB in FY 2005-2006, and to set aside $375,000 from its FY 2006-2007 budget for a competitive bidding process to provide services for formerly incarcerated individuals and young adults transitioning from the foster care system. The proposal, supported by the Mayor, specifies that the $375,000 would come from the Oakland Private Industry Council's One Stop Career Center allocation, while the WIB's motion has requested the right to evaluate from where the $375,000 should come. Meanwhile, according to an analysis of payment requests submitted by the Oakland PIC to the City, the PIC has exhausted its funding authority of $2,625,000 to support its System Administration and One Stop Career Center Operations, which suggests that it did not cut back on its expenditures in the fall of 2005 as directed by the City Administrator. While City staff has the authority to process payment requests for third party contracts administered by the Oakland PIC, they do not have the authority to process payment requests to support the Oakland PIC's internal operations.

To better align the budget priorities of the WIB and the City Council, staff will present a Supplemental Report on the WIB Executive Committee's preliminary Fiscal Year 06-07 budget, which is scheduled to be developed on June 8, 2006. Obtaining City Council input during the development and finalization of the WIB budget may help avoid the type of budget impasse the City and WIB experienced this Fiscal Year.

POLICY DESCRIPTION

As stated previously, the Mayor, City Council, and WIB must agree on major policy and budgetary matters that pertain to the use of Workforce Investment Act funding. The recommendation to amend

Item: CED Committee
June 13, 2006
Resolution No. 79474 would bring into agreement the Mayor, City Council and WIB on the Fiscal Year 2005-2006 WIB budget.

SUSTAINABLE OPPORTUNITIES

Economic: The $575,000 will be used to improve the employability of Oakland job seekers, thus meeting the needs of local employers for a qualified and productive workforce.

Environmental: There are no direct environmental impacts related to this report and recommendations.

Social Equity: The vast majority of clients that are served by Oakland’s workforce development system are unemployed and under-employed Oakland residents.

RECOMMENDATIONS AND RATIONALE

Staff recommends that the City Council adopt the resolution amending Resolution No. 79474 to allocate an additional $575,000 in Workforce Investment Act funds to the Oakland Private Industry Council, Inc., for One Stop Career Center Operations for Fiscal Year 2005-2006 to support workforce development programs as budgeted by the Oakland Workforce Investment Board.

Staff also requests that the City Council respond to the Oakland WIB’s request for the right to evaluate where the $375,000 from its FY 06-07 budget should come from to serve formerly incarcerated individuals and young adults transitioning from the foster care system through a competitive bidding process. The proposal to resolve the budget impasse had a provision that specified that the $375,000 come from the Oakland PIC’s One Stop Career Center allocation. The WIB requests discretion in determining the source of the funds. Therefore the issue of where the $375,000 will come from remains unresolved. Per the City Attorney’s opinion, the Council, the WIB, and the Mayor must concur on the source of the $375,000 allocation.

In addition, staff requests that the Committee provide input and take action on the Fiscal Year 2006-2007 Oakland WIB preliminary budget as developed by its Executive Committee on June 8, 2006. It is important that the WIB have the benefit of knowing the City Council’s priorities and concerns pertaining to the Fiscal Year 06-07 budget before it is adopted by the Board and forwarded to the City Council for approval in July.

Item: CED Committee
June 13, 2006
ACTION REQUESTED OF THE COUNCIL

Staff requests that the City Council adopt the resolution amending Resolution No. 79474 C.M.S. to allocate an additional $575,000 in Workforce Investment Act funds to the Oakland Private Industry Council, Inc. for One Stop Career Center operations for Fiscal Year 2005-2006 to support workforce development programs as budgeted by the Oakland Workforce Investment Board. Staff also requests that the City Council respond to the Oakland WIB’s request for the right to evaluate where the $375,000 should come from to serve formerly incarcerated individuals and young adults transitioning from the foster care system through a competitive bidding process.

In addition, staff requests that the Committee provide input and take action on the Fiscal Year 06-07 Oakland WIB budget as developed by the its Executive Committee during its June 8, 2006 meeting.

Ms. Gay Plair Cobb, CEO
Oakland Private Industry Council
1212 Broadway, Suite 300
Oakland, CA  94612

Dear Gay,

This letter is to advise you on the status of our FY 2005-2006 Workforce Investment Act budget and the impact that the actions recently taken by the Oakland City Council will have on the Oakland Private Industry Council’s budget allocation.

As you know, the City Council adopted a Resolution on September 20th to put out to competitive bid $575,000 that the Oakland Workforce Investment Board (WIB) had approved for the Oakland Private Industry Council’s One Stop Career Center operations. The City Attorney issued an opinion that the City Council has the authority to take such an action, but that it cannot be implemented without the consent of the Mayor and the WIB. This means that the $575,000 in question must remain unobligated until the Mayor, City Council and WIB resolve this issue.

All other budget allocations approved by the WIB were also approved by the City Council in its action. Therefore, all funding for sub-contracts, work experience wages, and support services remain intact.

Not knowing when this issue will be resolved and what the final resolution will be, we must take a conservative course of action, meaning the Oakland PIC must scale back its FY 05-06 expenditures by $575,000. We are sensitive to the significance of this reduction and are open to budget revisions that include a reallocation of the $1,300,000 the WIB approved for your role as System Administrator. Put differently, you have the option of reducing expenditures in either your System Administrator budget or your One-Stop Operator budget or in both budgets. If you choose to revise both budgets, you should present two revised budgets that total no more than $2,625,000.

Please submit your budget revisions to Al Auletta using the same forms you used in response to the Request for Proposals, and let him know by Friday, October 7, 2005 when you will be able to submit your revised budget(s).
I know that you will be working with the WIB staff to assess the impact of this budget reduction on your agency and on Oakland’s workforce development system. We look forward to working with the Oakland Private Industry Council to develop the best budget possible for the next two fiscal years.

Sincerely,

Deborah Edgerly
City Administrator
