WHEREAS, on June 27, 2006, the City Council adopted Urgency Ordinance No. 12750 C.M.S., establishing an emergency 45-day moratorium on the approval of permit applications for the construction, modification, or placement of wireless communication facilities; and

WHEREAS, the 45-day moratorium will expire on August 11, 2006, at which time the City Council will be on Summer Recess, and it will remain on Recess until September 12, 2006; and

WHEREAS, the legislative process by which any proposed permanent amendments to the wireless regulations in the Oakland Planning Code can be adopted requires public hearings before the Planning Commission and the Community & Economic Development Committee, as well as two readings before the full City Council, the completion of which cannot occur until no earlier than October 3, 2006;

WHEREAS, the City of Oakland’s Community Economic Development Agency is in the process of studying proposed amendments to the City’s wireless zoning regulations, and it is expected that the proposed amendments will be presented at a hearing of the Planning Commission on August 16, 2006, before proceeding to the City Council for consideration; and

WHEREAS, due notice of the hearing requesting this extension of the moratorium has been given as required by law; and

WHEREAS, for the reasons set forth above and in Ordinance No. 12750 C.M.S., this ordinance is declared by the Oakland City Council to be necessary for preserving the public peace, health, or safety and to avoid a current, immediate and direct threat to the health, safety, or welfare or the community, and the “Whereas” clauses above taken together constitute the City Council’s statement of the reasons constituting such necessity and urgency.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF OAKLAND does ordain as follows:
